- **Gate measurements are taken once the framework has been erected. Once exact measurements have been given to staff, your gate will be ordered.**

Gate Frames

- Gate measurements are taken once the framework has been erected.
- Once exact measurements have been given to staff, your gate frame will be made.
- **Ornate gates** are available in almost any design. Please contact the office to discuss. (03) 9399 1900

Fence Layout

- Please draw a diagram of your fence layout, including measurements (in mm). This is to be done as though you are looking at the fence from the street.
- Ensure any gates are drawn in the direction you want them to open.
- See diagrams/examples and legend below.
